

imaginext
house of creative services

the exclusive house of designing, a one stop solution provider for all your designing needs. here, we concentrate only on design, lending your brand the impetus it deserves.

we are introducing a special graphical themes for *homes* and *corporate sectors*.

come to us and feel the change.

as at 'imaginext', all shapes and designs we create merge into a single colour. the inviting and ever fresh colour of success. so that your brand becomes your identity...and ours too!

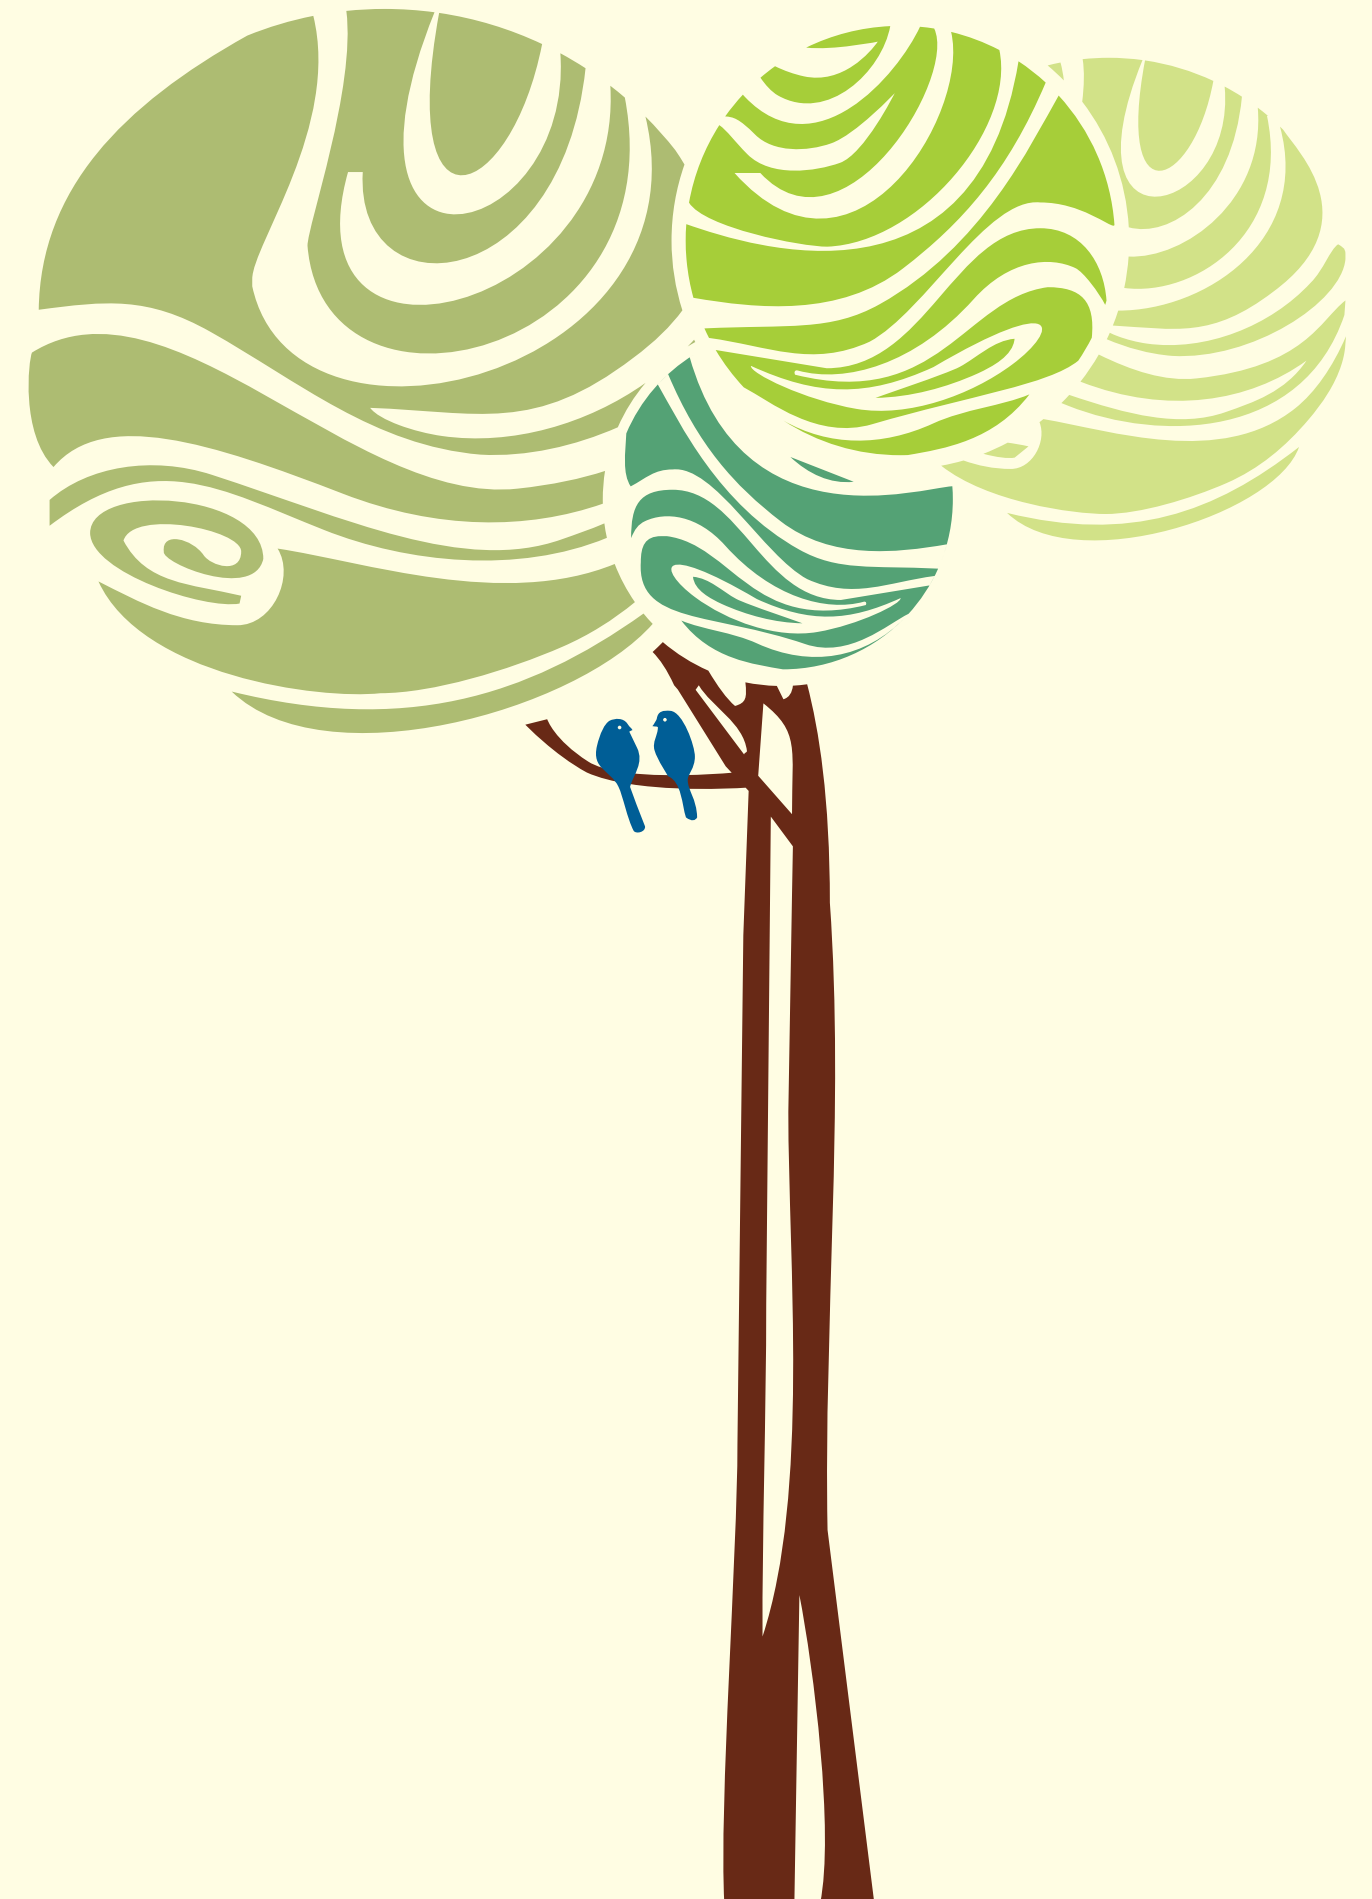

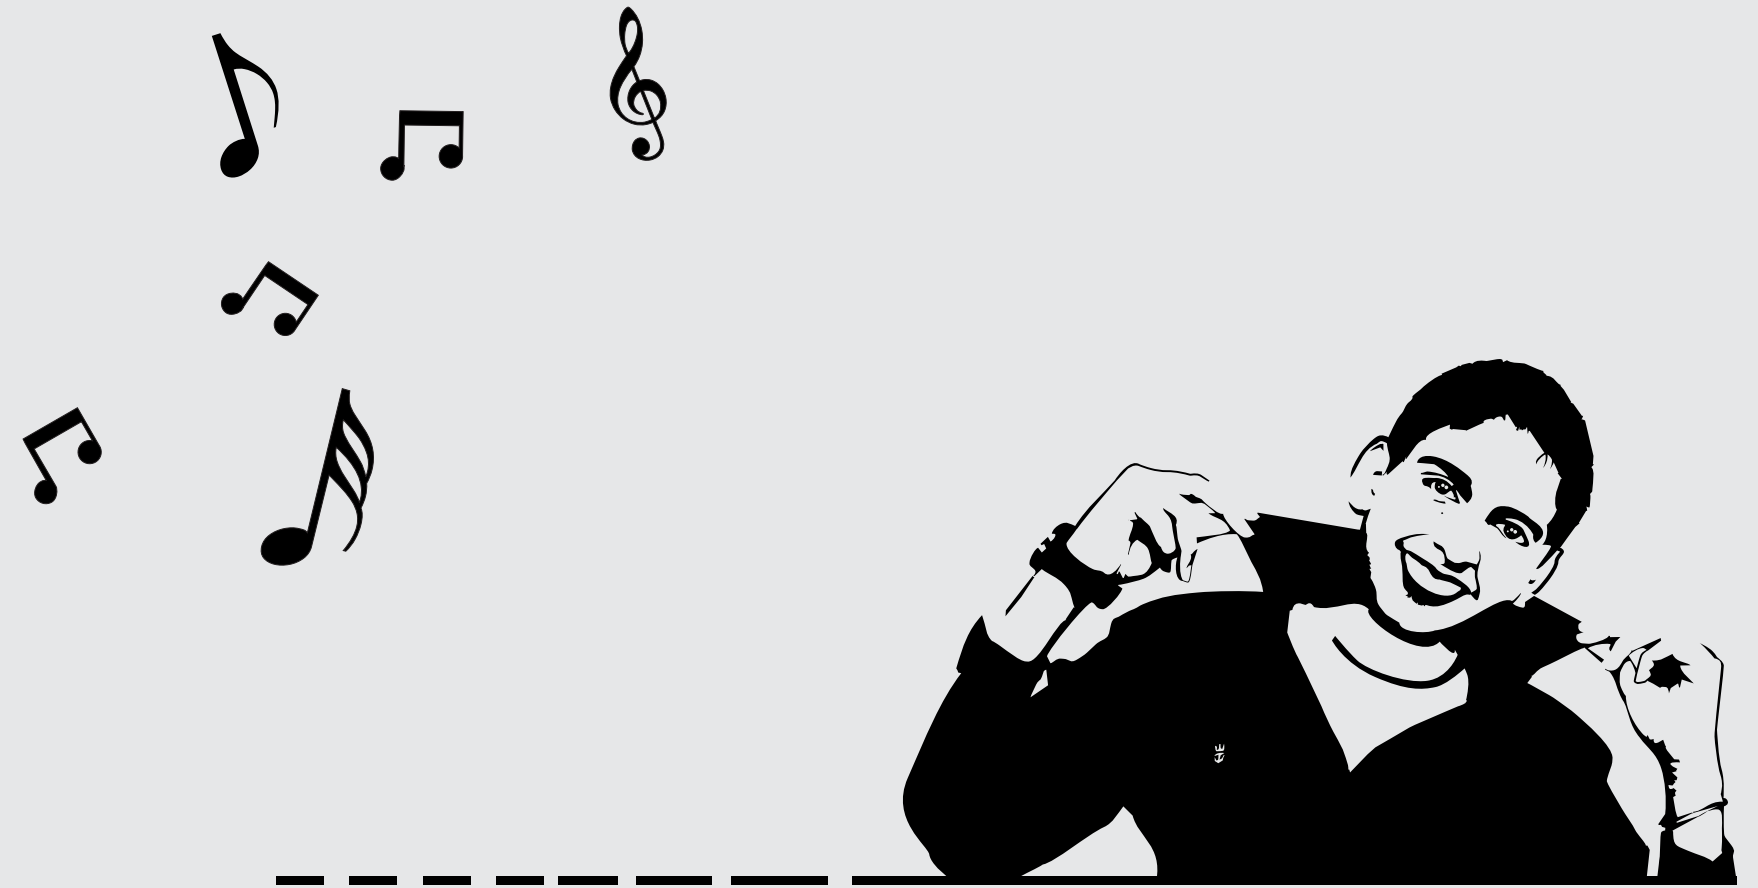

Imaginext Introduces wall graphics and wall tattoos for residential,commercial interiors & outdoor wall surfaces.

You can choose from a range of Thousand plus varied existing designs or if required we can develop exclusive themes as per your requirements for living room, kitchen, master bedroom, kids bedroom, guest room, bathroom, and commercial spaces.

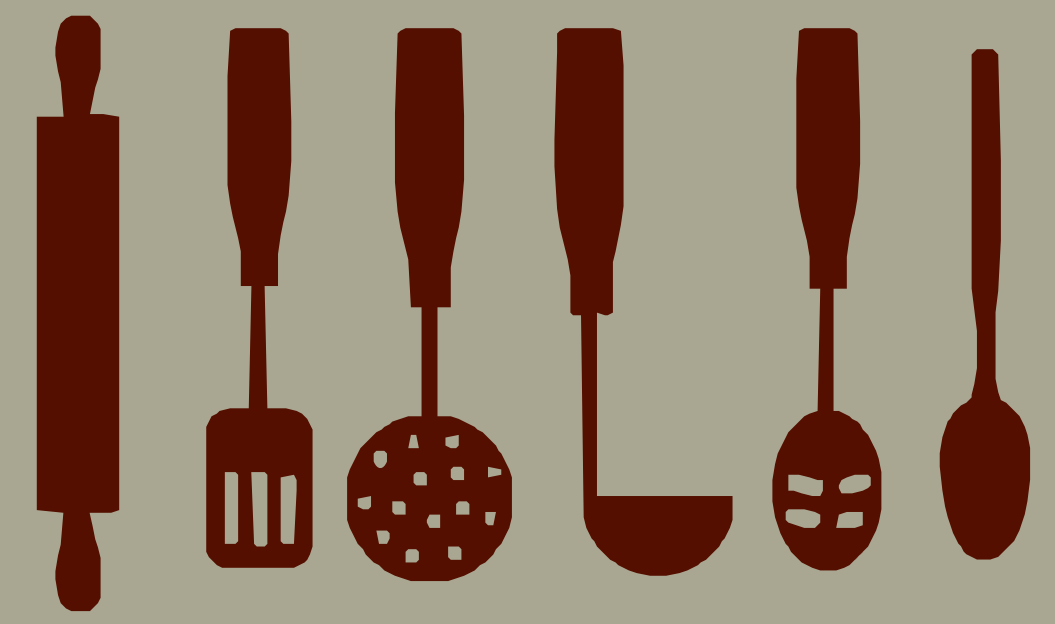

You have the flexibility to apply the designs on laminates, veneer, glass, ceiling, flooring and any hard surfaces.

At imaginext, we give designs with execution on site.
